# *Kitchen* ISLANDS

A BRILLIANT CONCEPT TO  
CONCEAL THE UNSIGHTLY  
KITCHEN BIN, INCORPORATING  
A SUBSTANTIAL CHOPPING  
BLOCK IN AN ATTRACTIVE,  
SPACE SAVING MOBILE UNIT  
WITH A VARIETY OF USES.

## *Craftsmanship*

Bespoke double unit finished in Aga cream with fielded panels, three solid oak dovetailed drawers and upgrade zinc castors.

Each Kitchen Island is handmade to order by craftsmen to exacting standards at our own workshops in the Malverns exclusively for over 10 years.

Using wood sourced from sustainable forests, a small team of dedicated cabinet makers can create you a unit to your exact requirements.

The standard chopping top is hand crafted out of the highest quality 54mm thick solid oak boards and is machined, jointed and finished in-house.

We are confident that your Kitchen Island will give you many years of trouble free service.

Please allow approximately 28 days delivery time when your unit will arrive at your doorstep fully assembled and ready to use.

Bespoke single unit with stainless steel top and rail, and bow handle.

## Classic Style ISLANDS

- 1 Single unit finished in pink with chrome cup handle and upgrade zinc castors.
- 2 Single unit finished in yellow.

Our 'Classic' style unit is our original design and has proved immensely popular as it blends into all styles of kitchen.

The unit is supplied as standard unpainted ready for the easy step of painting to match your kitchen. Alternatively we can finish the unit inside and out in any colour of your choice (including all Aga colours). Simply supply us with a colour reference/name or even send us a small sample and we can colour match it.

### DIMENSIONS

The standard unit measures 510mm x 510mm x 860mm high (including a 54mm thick solid oak chopping surface). Sizes can be adjusted but would fall under the 'bespoke' category.

### FEATURES

Each unit is hand crafted with a 54mm solid oak chopping board, Redwood pine corner posts and MDF sides and door.

The unit comes as standard fitted with a full size 45 litre plastic internal bin. This is very easily removed for cleaning and takes standard drawstring liners available from any supermarket.

The unit is totally mobile with four locking castors giving it a variety of uses; additional worktop space, chopping area and recycling unit.

It can be fitted with a solid oak, chrome, brass or stainless steel door knob and towel rail if required.

The unit is hygienic and dog proof. It is fitted with an adjustable zinc plated door chain and adjustable magnetic door catch which can be varied according to your needs.

# Bespoke ISLANDS

If our 'Classic' style units are not suitable for you we can hand craft a unit to your exact requirements.

## STYLES

- 1 Single unit finished in white with fielded side and door panels, solid Iroko top and upgrade zinc castors.
- 2 Single unit finished in Aga cream with raised panels, solid oak end grain butchers block top, celtic style pull and upgrade zinc castors.
- 3 Single unit with Iroko top, tongue and groove effect and chamfered corner posts.
- 4 Triple unit with 1 x bin unit, six solid oak dovetail jointed drawers and solid maple top with granite inset.
- 5 'Recycling' unit with 2 x internal bins and wenge diamonds inset in an oak top.
- 6 Single unit finished in Aga claret with fielded side and door panels, a granite top fitted with upgrade zinc castors.
- 7 Single unit finished in Farrow and Ball 'Porphyry Pink' with tongue and groove panels, chamfered corner posts and upgrade zinc castors.
- 8 Single unit with fielded panels, maple top with wenge diamonds and brass cup handle and rail.

## OPTIONS

Fielded, tongue and groove or raised panels to match existing kitchens.

An alternative material for the chopping block e.g. maple, beech, granite, stainless steel.

Wenge diamonds mortised into the chopping block section.

Integrated items such as kitchen scales either fitted into the worktop or into a narrow pull out drawer and fold up ironing boards in larger units.

Size variations - from 25mm smaller to double or triple size mobile or static island units that can incorporate any features such as extra bins, drawers, cupboard space and shelves.

Units supplied with drawers all feature hand made solid oak dovetail jointed drawers fitted on the highest quality Blum 'motion' self closing drawer runners.

A FEW OF THE MOST POPULAR OPTIONS ARE SHOWN ON OUR ORDER FORM, BUT PLEASE DO TELEPHONE US IF WHAT YOU REQUIRE IS NOT LISTED.
